

Directions:

Today you will present to several different classmates explaining your power point and what you learn as you answered the following essential questions:

1. What is a wardrobe?
2. What are the different types of style?
3. What are accessories?
2. Where can you shop and what ways can you shop for clothing?
3. How can the information on clothing labels help you as a consumer make clothing decisions?
4. How do you comparison shop?

Pair and Share #1
