

Finance & Hospitality - 6th grade - Food Truck Creation Interdisciplinary Lesson

Anchor Text:

- *Good Masters! Sweet Ladies!: Voices From a Medieval Village* (Setting: European Medieval village)

From Amazon.com: Step back to an English village in 1255, where life plays out in dramatic vignettes illuminating twenty-two unforgettable characters.

Maidens, monks, and millers' sons — in these pages, readers will meet them all. With a deep appreciation for the period and a grand affection for both characters and audience, Laura Amy Schlitz creates twenty-two riveting portraits and linguistic gems equally suited to silent reading or performance. Illustrated with pen-and-ink drawings by Robert Byrd — inspired by the Munich-Nuremberg manuscript, an illuminated poem from thirteenth-century Germany — this witty, historically accurate, and utterly human collection forms an exquisite bridge to the people and places of medieval England.

Create a Medieval Village Food Truck

What would the food truck look like? (explain or draw it)

Think about the time period of the story "Good Masters Sweet Ladies!"

What type of food and/or drink would it be preparing and providing to the peasants in the village? (name at least 5 menu items)

What type of currency would the villagers be paying in ? (not in dollars & cents as this food truck is not in the USA)

List 5 items from the menu and their cost in the correct currency term and symbol.
