

## Finance & Hospitality - 6th grade Interdisciplinary Lesson

### Anchor Text:

- *Good Masters! Sweet Ladies!: Voices From a Medieval Village* (Setting: European Medieval village)

From Amazon.com: Step back to an English village in 1255, where life plays out in dramatic vignettes illuminating twenty-two unforgettable characters.

Maidens, monks, and millers' sons — in these pages, readers will meet them all. With a deep appreciation for the period and a grand affection for both characters and audience, Laura Amy Schlitz creates twenty-two riveting portraits and linguistic gems equally suited to silent reading or performance. Illustrated with pen-and-ink drawings by Robert Byrd — inspired by the Munich-Nuremberg manuscript, an illuminated poem from thirteenth-century Germany — this witty, historically accurate, and utterly human collection forms an exquisite bridge to the people and places of medieval England.

### **Compare and Contrast**

Explain the type OR give examples of currency we use today in the USA when we use cash and coins?

Explain the type OR give examples of currency that was used during medieval times in Europe?

Explain the type OR give examples of currency used by peasants during medieval times in Europe?

Explain the type OR give examples of currency used by the Kings during medieval times in Europe?

What did you find about the currency?
